***Allowable Subject Matter***

**Claims 1-10 are allowed over the prior art of record.**

The following is an examiner's statement of reasons for allowance: *The prior art of record when considered as a whole, alone or in combination, neither anticipates nor renders obvious a condenser coil comprising a flexible polymeric tubing having a plurality of perforations attached periodically to a rigid strip inserted along one edge of a filter panel, a second length of flexible polymeric tubing having one end connected to a first length of said tubing with a portion coiled around and in contact with refrigeration suction tubing associated with a compressor and means for electrically controlling a water valve between an open and closed positions in response to a preset electrical temperature sensors.*

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Melvin Jones whose telephone number is (571)272-4810. The examiner can normally be reached on Monday- Wednesday & Friday.
